

When is the referral valid?

The referral should include the name, phone number, a LinkedIn profile link or CV of a recommended person as well as the name and phone number of the person who recommends a candidate.

The recommended person must be informed about the referral and interested in participating in recruitment processes conducted by Work Life Group.

The referred person has not been involved in the recruitment process and has not been recommended in the last 3 months.

At the same time, we only accept referrals for recruitment processes carried out for Work Life Group's clients.

How long is the referral valid?

Each referral is valid for 3 months. You do not need to indicate a specific position that you recommend your friend to. Our clients are constantly addressing us with their needs. Based on referred person's experience and expectations we can match him/her to the current recruitment processes. This means that the probability of starting a cooperation with a recommended person and paying you out a bonus is higher!

What is the exact amount of the bonus?

12000 PLN

When are you entitled to get the bonus?

The bonus may be paid out when all the following conditions are met:

- the referral is valid (see above)
- the recommended person successfully accomplishes the recruitment process conducted by Work Life Group
- the cooperation will last for a minimum of 3 months

Within 15 days of meeting these conditions, we will contact you to complete the formalities related to the payment of the bonus!

We will keep you informed on all important steps taken in relation to the referral you made - from the very beginning to the end of the process! If necessary, you can also contact us by e-mail: lnp@wlggroup.eu.
